

## **Board Meeting**

**John Shore's house, Sept 2/15**

**Attendees: Elise Beauregard, John Shore, Jen Yaeck, Corey Finkelstein, Pere Armegol**

### **1. Called to order 6:30pm**

### **2. Copper Kettle Debrief – Board members**

- Discussed parking, baracades, Emergency services
- Pere recommended that we have a meeting 1 week prior to event with parking attendants, fire department, and brewery
- Walkie talkies are recommended for next year for communication between volunteers
- Detour signage
- Coffee – early morning. Car Show participants started arriving shortly after 6am and there was not a place to get coffee. Maybe as a Santa Claus parade fundraiser next year or perhaps the Legion would like to put on a breakfast?
- Copper Kettle and the car show need to be a separate event. The Brewery felt the car show was too big this year.
- Discussed totally stopping the car show, but the Board all felt that it would be a shame to throw away such a successful event.
- Clean up was not bad after event

### **3. Billboard tagline contest**

- Contest deadline approaching. Discussed putting an ad in the Echo that reminded people that deadline approaching. No members have given a submission. Pere will put a mailchimp eblast to members reminding them that deadline approaching

### **4. Associate members**

- Should be sending an invitation to participate in the coop advertising.

### **5. No smoking signs on all of the benches.**

- Few complaints from members on main street about the smoking and loitering on the park benches on main street outside of stores.
- Corey suggested that we purchase some signs to attach to benches. Brass sign – sign company in Collingwood, Georgian Bay Signworks or trophy place on Hurontario. By-law officer would be the second step.

### **6. Schedule for meetings**

- Come up with a schedule for the general meetings.
- Every 2 weeks for the Board Meetings.
