To assist us in accommodating the accessibility needs of the Public at our Public Meetings, wpd requests that any related concerns be provided to us at the contact information below.

Project Description and Documents for Public Review:

The Project is being proposed in accordance with the requirements of the Act and Regulation. The Draft Project Description Report titled *Fairview Wind Project: Project Description Report*, describes the facility as a Class 4 wind facility with a maximum contract name plate capacity of 18.4 MW and consisting of 8 wind turbines. The Project would also include electrical collection lines, a switching station, and other ancillary facilities such as access roads. The project location is provided in the map adjacent.

A written copy of the initial Draft Project Description Report was made available for public inspection in July, 2010 at the project website noted below. Further, wpd Canada has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the updated Draft Project Description Report and draft supporting documents will be made available for public inspection starting on May 30th, 2012, at the following locations:

- Stayner Public Library, 201 Huron Street, Stayner, ON
- Clearview Township Administration Centre, 217 Gideon Street, Stayner, ON
- County of Simcoe Administration Centre, 1110 Highway 26, Midhurst, ON
- Project website noted below.
